STORMWATER UTILITY

City of La Crosse Stormwater Utility

STORMWATER UTILITY APPLICATION FORM

***SUBMIT THIS FORM TO THE FIRE PREVENTION AND BUILDING SAFETY DEPARTMENT ***

Use this form to notify the City of any changes in the impervious area at a non-residential parcel. This application is required prior to issuance of non-residential building permits per City Code Chapter 46-179. Failure to submit or falsification of this application may result in a $50 - $1000 fine. A separate Stormwater Utility Application Form must be completed for every parcel affected by the changes.

Parcel I.D. #: _____ Permit #: _____ Application Date: _____

2. Parcel Owner: _____ Phone #: _____

Mailing Address: _____

PROJECT DESCRIPTION

Describe the proposed work: _____

_____

Estimated Schedule: Begin Work Date: _____ End Work Date: _____

IMPERVIOUS AREA CHANGES

The terms "impervious area" or "impervious surface" means a surface that has been compacted or covered with a layer of material so that it is highly resistant to infiltration by rainwater. It includes, but is not limited to, street, roofs, sidewalks, parking lots, compacted gravel surfaces, as well as other similar surfaces; all measured in the horizontal plane.

Check the box next to *ONE* of the six descriptions below that best describes the changes to the parcel and fill out the required info under each heading; *then* proceed to the Certification and Required Documentation Section.

1) *FULL DEMO W/ NO REBUILD* ☐

Were ALL impervious areas demolished and/or removed?(circle one) YES or NO

If YES, should the square footage now be "0" for this parcel? YES or NO

2) *PARTIAL DEMO W/ NO REBUILD* ☐ **OR** **3) *PARTIAL DEMO W/ REBUILD*** ☐

Impervious Area Removed: _____Sq. Ft

Final Impervious Area after Construction (per site plan) = _____ Sq. Ft.

Continued on next page.....

4) NEW *ADDITION* ☐

Will any of the new addition be built on top of existing impervious area? (circle one) YES or NO

New Impervious Area Added: _____Sq. Ft

Final Impervious Area after Construction (per site plan) = _____ Sq. Ft.

5) *FULL DEMO W/ NEW CONSTRUCTION* ☐

Were ALL impervious areas demolished and/or removed?(circle one) YES or NO

Final Impervious Area after Construction (per site plan) = _____ Sq. Ft.

6) *NEW CONSTRUCTION (ON VACANT LOT – NO PREVIOUS IMPERVIOUS SURFACES/AREAS)* ☐

Were there ANY impervious areas prior to construction? (circle one) YES or NO

Final Impervious Area after Construction (per site plan) = _____ Sq. Ft.

CERTIFICATION AND REQUIRED DOCUMENTATION

Site plans and/or map clearly defining impervious area changes must accompany this application. This application will be considered incomplete and invalid until these are received. ***Site Plan attached? (circle one) YES or NO***

I hereby certify, under penalty of perjury, that the above information is true and correct, and I understand that any future changes to the scope of the work described above that result in a change in the impervious areas indicated above must be reported to the city via a re-submission of this form. I further understand that any information provided may be confirmed through site inspection and/or GIS technology.
