

# La Crosse-Épinal Cultural Exchange

The La Crosse delegation in Épinal, September 2006 for the 20th Anniversary Celebration.

La Crosse's longest running sister city relationship will celebrate its 30<sup>th</sup> year anniversary in 2016. We continue to have official delegation visits, exchanges of students, musical groups, soccer teams, interns, business contacts and of course ongoing personal connections between the people of both cities. The goal of this organization is to serve as a resource and link between La Crosse and Épinal, to increase awareness of the differing cultures, to improve relations and to foster an environment of understanding between France and the USA through various cultural exchanges.

The La Crosse-Épinal Cultural Exchange is a non-profit organization. We invite you to join us in our effort to continue to build bridges of understanding and friendship between our two cities. Your tax deductible contributions and membership fees will be used to continue funding our efforts.

**Please join us in this endeavor of fostering international cultural understanding.**
