NOTES TO REPORT
DECEMBER 31, 2016

1. TIF District Information

The Tax Incremental Financing Districts No. 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, and 17 (the "District") were created under the provisions of Wisconsin Statute Section 66.1105. The purpose of that section is to allow a municipality to recover development and improvement costs in a designated area from the property taxes generated on the increased value of the property after the creation date of the Districts. The tax on the increased value is called a tax increment.

Districts No. 5, 6, 7, 10, 11, and 12 project costs may be incurred up to 22 years after the creation date of the Districts and collect tax increments for up to 27 years. Districts No. 8 and 9 costs may be incurred for up to 18 years and collect tax increments for up to 23 years. District No.13, 14, 15, 16, and 17 costs may be incurred for up to 15 years and collect tax increments for up to 20 years. Project costs uncollected at the dissolution date are absorbed by the municipality.

3. Transfer of Tax Increments

The Wisconsin Statutes were amended to permit the transfer of positive tax increments from a successful district to another district. The donor district must be able to demonstrate, based on the positive tax increments that are currently generated, that it has sufficient revenue to pay for all project costs that have been incurred under the project plan and sufficient surplus revenue to pay for some of the eligible costs of the recipient TIF district.

In accordance with Wisconsin State Statute 66.1105, paragraph 6, positive tax increments may be allocated from one TIF district to another if:

- ◆ The donor TIF district and the recipient TIF district have the same overlapping tax jurisdictions;
- ◆ The allocation of tax increments is approved by the joint review board;
- ◆ The donor TIF district has first satisfied all its current year debt service and project cost obligations;
- ◆ The project costs in the recipient TIF district are used to create, provide, or rehabilitate low-cost housing, or to remediate environmental contamination; or
- ◆ The recipient TIF district is a “blighted area” or an “area in need of rehabilitation” TIF district.

During 2016, District No. 5 transferred \$192,822 to District No. 6.

4. Joint Agreement

District No. 10 is a joint agreement between the City and another government. Proceeds from the other government will be repaid if positive increments are available, and therefore, such proceeds are also reported as “Future TIF Requirements”.
