

Thank you for participating in this survey. Our goal is to learn how we can assist anyone in our city who feels they have been discriminated against for any reason and to build better relationships throughout our community. The City of La Crosse reserves the right to utilize information collected in this survey to make policy changes and create new policy to best serve the community and residents. All responses will remain anonymous. If you wish to be contacted about our efforts to promote equity in La Crosse, please add your contact information at the end of the survey.
